TECH NATION H: Hertzian software cornwall CIOS LEP CORNWALL & ISLES OF SCILLY LOCAL ENTERPRISE PARTNERSHIP

Generation of high-tech start-ups in Cornwall has seen a 3 fold increase in the past year, with start-ups created rising from 14 in 2016 to 46 in 2017.

Visit www.softwarecornwall.org/news to watch BBC Spotlight and Listen again to Radio Cornwall where we're speaking with the BBC's Neil Gallacher about the growth of our tech sector at our Mission to Mars tech start up experience.

Neil met with mentors supporting students on the mission including, Jordan Barkway, apprentice with Bluefruit Software, and Steve Amor, Chief Engineer of our Mission to Mars rovers to talk about working in the tech sector. While Belinda Waldock, Software Cornwall and Toby Parkins, Headforwards discuss the reasons behind the significant growth of the sector here in the county.

Hear more about BBC Radio 4's trip to meet digital nomads in Cornwall and discuss its growing popularity as a global tech destination and, the positive impact it's having on the growth our local digital tech community.
