

TECGIRLS

LIVE

JOIN US FOR THE TECGIRLS GREAT GREEN HACK WEEK.

1ST - 3RD JUNE, 2021

**THE EVENT IS FREE
AND OPEN TO ALL
PRIMARY AGE KIDS
IN CORNWALL.**

DAY 1: TECH

Code your own beach clean plastic counter using a micro:bit and capture your beach clean finds with a kids citizen science survey

DAY 2: ENGINEERING

Come up with an amazing invention to tackle plastic pollution

DAY 3: CREATIVE

Make your own video or poster to help encourage other kids to keep Cornish beaches clean this summer.

The sessions will be done via pre-recorded videos and written tutorials that kids will be able to use to work at their own pace. No previous coding experience required. Support from kids will be available from TECgirls and micro:bit volunteers.

The first 100 kids who sign up will be given a free micro:bit kit.
